Bookings & Information

Every Wedding is unique, including yours!

Modern Weddings can vary considerably, however even with professional services in such big demand there's no reason why you can't be given a **GUARANTEED FIXED PRICE** once your requirements are known. We don't use 'hourly rates' from Garage to Garage (you would pay extra for heavy traffic!) nor do we give simple 'blanket' rates possibly charging for time and mileage you don't need.

2 HOUR RATE - Time will not start until we **ARRIVE** and finishes as soon as we **DEPART** your final destination.

PHOTO HOUR - Purely optional - includes at least 45 minutes **FREE TIME!** Incredible value for a 3 hour total! Recommended if you intend stopping off with the photographer on the way to the reception.

FIXED AREA SUPPLEMENT - To move the rental to your area and get us back at a fixed rate. (Basically wage and fuel expenses).

“What do our previous customers think of our service?”

'A big thank you for being so helpful and affording us so much patience and kindness! We are both so pleased with the overall service.'
Sandra & Duncan Edwards Bramhall

'I just wanted to send a thank you, everything went so perfectly'
Mrs Sharp Altrincham

'The Rolls Royce was immaculate, the driver so courteous. An efficient service that added in no small way to a wonderful day'
Mrs Fahey Manchester

'The punctuality, condition of the car & friendliness of the driver really made a significant contribution. I am sure you will do well if this is a typical example.'
Mr Giblin Rochdale

'Most professional & courteous service. I would not hesitate to recommend your company and it was a pleasure dealing with you.'
Mr & Mrs R. Burton Sale

'Thank you & all concerned. Excellent & friendly service. The timing was perfect.'
Mr & Mrs Hewitt Whitefield

'Can I thank you and your staff.... the whole day went like clockwork we would certainly recommend you.'
Mr & Mrs Orme Glossop

'Sincere thanks for your help and assistance in the planning and organisation. The timings were perfect. A first class service'
Mr & Mrs Johnson Stockport

These letters & more can be inspected at our Carrington office together with our Approval Certificate from Trafford Trading Standards Office
